

Congressional
Black Caucus
Foundation, Inc.

**35th Annual
Legislative
Conference**
September 23, 2005

The Honorable Julia Carson and the Congressional Black Caucus Annual Legislative Conference present:

PUBLIC HEALTH, CLEAN AIR, AND TRANSPORTATION

In Pursuit of Cleaner, More Livable Communities

**An Issue Forum Hosted by
Congresswoman Julia Carson, (IN)
on Friday, September 23, 2005**

**2:00 - 5:00 pm, Room 201
Washington Convention Center,
Washington, DC**

Agenda

Panelists will focus on the relationship between transportation policies and cleaner communities.

This issue forum will explore the increased need for African Americans to:

- ◆ Understand the impact of planning and public transit decisions on public health
- ◆ Promote eco-friendly transportation investments and land use policies
- ◆ Participate in planning, zoning and transportation decisions

Remarks

U.S. Rep. Julia Carson, (IN)
Mike Terry, Business Development Director,
Indy Go
